144 SEATED DINING
10 COCKTAIL TABLES

208 SEATED DINING
10 COCKTAIL TABLES

If you figure 40 of 100 guests will dance, then you need about a 200 square foot dance floor. If you double that for 200 guests you would need a 400 square foot dance floor. With 300 guests you need a 600 foot dance floor
